6. [] of OCR dropped by to obtain our approval for the Army to make a reference to the Agency in a report to the Porter Hardy Subcommittee of the House Government Operations Committee concerning kip-dollar exchanges in Laos. [] was advised that we saw no need for specific reference to CIA in this matter. He called later and said the Army had agreed to delete CIA from any references on this.

7. Talked with Fred Mesmer of the Senate Judiciary Immigration Subcommittee on the subject of "ethnic Germans." Mesmer indicated that their Subcommittee had a report on this subject which he plans to send us.

8. Talked with Julius Cahn of the Senate Government Operations Subcommittee on Reorganization and asked him again about the notes and tapes which Senator Humphrey had made following his visit with Khrushchev last winter. Mr. Cahn apologized for not getting these materials to us as promised and said he would see if they were now available.

Mr. Cahn also said that the Subcommittee had just about completed its draft of materials of Soviet medical advances. He said that he would appreciate the views of [] (OSI) on these materials when they are completed. He will contact us at that time.
